

Playful Paths Covid-19 Policy

We follow current government guidance regarding Covid-19. You can find the most up-to-date information here: www.gov.uk/coronavirus

Outdoor environments are widely considered lower risk for transmission, and our outdoor setting offers plenty of space and fresh air, making it easier to maintain distance when needed.

To help keep everyone safe, we've got a number of measures at Playful Paths, including:

- A fresh water handwashing station in the play area and in the eco toilet
- Hand sanitiser available at both sinks

We kindly ask all families to follow current Government Covid-19 guidance.

Please do not attend a session if:

- You or your child has any symptoms of Covid-19
 - You, your child, or a household member has tested positive or is awaiting test results
-

Party Covid-19 Policy

If someone in your party group tests positive:

If more than 25% of your invited party group is affected by Covid-19, we're happy to **reschedule your party** to a more suitable date.

If our staff are affected by Covid-19:

Should a Covid-19 outbreak impact our team, we will either:

- **Reschedule your party**, or
- **Offer a full refund**
